

DOES YOUR BACK ACHE?

Profit by the Experience of One Who Has Found Relief.

James R. Keeler, retired farmer, Fenner St., Cazenovia, N. Y., says: "About fifteen years ago I suffered with my back and kidneys. I doctored and used many remedies without getting relief. Beginning with Doan's Kidney Pills, I found relief from the first box, and two boxes restored me to good, sound condition. My wife and many of my friends have used Doan's Kidney Pills with good results and I can earnestly recommend them."

French horticulturists have apparently been very successful of late in raising dwarf trees, and one of the features of dinner parties among the rich now is to serve the fruit upon the tree.

Oak Trees and Lightning.

Very curious facts about the preference of lightning for certain kinds of trees have been collected by the Bureau of Forestry at Washington. It has long been noted that oaks are far more frequently damaged by lightning than beeches. As a partial explanation it has been suggested that the smoother leaves and bark of the beech by producing a uniform wetting of the surface in a storm, may cause lightning to reach the ground from such a tree with less damage than in the case of an oak. But statistics gathered by the Bureau of Forestry indicate that the beech is comparatively exempt from lightning strokes. Between 1900 and 1905, within a certain district, 66 oak and about 20 fir trees and three or four pines were struck by lightning but not a single beech was struck, although the beech was actually the most abundant tree in the district, outnumbering the oaks almost seven to one.

Isolation of Nicholas II.

The Czar lives alone, with the Czarina and their children, in a little maisonette at Peterhof, apart from the immense palace. It is the house of a bourgeois on holiday, quite isolated under great trees by the seashore. No guard is visible. Thus the master of Russia lives retired from his empire, and even from his Court. —Le Revue de Paris.

FACE ALL BROKEN OUT.

Troubled Almost a Year — Complexion Now Perfect and Skin Soft, White and Velvety.

"I had been troubled with a breaking out on my face and arms for almost a year and had the services of several physicians, but they didn't seem to do any good. Some time ago one of my friends recommended Cuticura to me. I secured some, and after using it several months I was completely cured. I can highly recommend Cuticura Soap as being the very best complexion soap made. It creates a perfect complexion, leaving the skin soft, white, and velvety. I now use Cuticura Soap all the time and recommend its use to my friends. Maud Loggins, R. F. D. No. 1, Sylvia, Tenn., Aug. 1, 1905."

EMBARRASSING.

"Remember, the eyes of the public are upon you." "Yes," answered Senator Sorensen, "that's what worries me. A man is so closely watched in these times that he can't get away with anything." —Washington Star.

SELF-CONVICTED.

"Why deny it?" he insisted. "It is because some gossip intimates that I am not true to you that you have broken our engagement." "Oh no," she replied; "it is because I believe you truthful that I am breaking it." "How do you know?" "Well, you remember you have frequently told me that you were not worthy of me." —The Catholic Standard and Times.

THE WAY 'TIS DONE.

"Have you ever thought how the earth is kept going?" "By natural laws, I suppose." "All wrong. Every crank must have his turn and so the word goes round." —Baltimore American.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alternative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous colitis), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in effecting a cure.

"The Favorite Prescription" is advised for the cure of one class of diseases—those peculiar to women, such as irregularities incident to women only. It is a powerful yet gently acting invigorating tonic and nerve. For weak worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice, as guides in prescribing, say of each ingredient entering into these medicines. The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

"I was afraid to go in church this morning," said a lady to a bishop. The bishop was surprised. "Why?" he asked.
